Article VI, sections 3 and 4 of the Booster club bylaws state that all members of the organization will have the opportunity to run for office on the Executive Board. The nominating committee believe these people are the best for each position on the executive board. Before elections take place any additional nominations from the floor will be accepted. No nominations were made from the floor.

The officers of the executive board will be elected by a simple majority vote of the members present at this Annual meeting. The term of any officer on the Executive Board will be for one year, or until their successors are elected, except the outgoing treasurers who will remain in office until the Annual Budget report is filed. No member will be eligible to serve more than three consecutive terms in the same office. When two members of the same household are nominated as prospective officers, the nominations must be reviewed and approved by the seated Executive Board.

II. Approval of Officers

Voice election began for each officer and their prospective position. All officers and their positions were approved unanimously.
